Dear Philippe,

I write to express my deepest gratitude to Atelier Premiere for its extraordinary work in the creation of Albertine Books in French and English. This project would not have been possible without your exceptional savoir-faire and constant dedication.

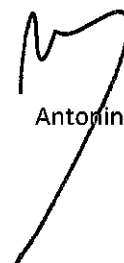

The delicate and unique design of Albertine required the best craftsman and artists and I could not have imagined stronger partners than Atelier Premiere. Thanks to you, the iconic painted constellation ceiling has become the masterpiece of the space and defines the magical and mystical atmosphere of Albertine.

Atelier Premiere has been a leading collaborator in Albertine's construction, both as a display of the French savoir-faire but also as a space to reinforce the historic French-American bond.

I hope, one day, to have the opportunity to work with Philippe and Atelier Premiere team again!

Mes plus sinceres remerciements.

Sincerely,

Antonin Baudry
